## DPP Pharmaceuticals - Who are We?

We are a family owned Australian company based in Melbourne who are leaders in developing and sourcing only the highest quality, natural ingredients to make our skincare products available for babies to grown ups at affordable prices for everyday use.

Originating in Melbourne 15 years ago with Hair Assist, an organic herbal remedy for growing thicker, healthier hair, our passionate team at DPP fell in love with the Goat and the benefits of Pure Goats Milk for its moisturising and skin care properties.

Such was the enthusiasm and success of our original Goat Soap, we introduced another 5 fragrances, with each soap now having its own matching Wash, Lotion, Shampoo, Conditioner and Hand Cream.

And to grow our family even further we decided to have Kids.

Nine months of tender love and care went into the development of our soft and gentle Kids Organic Soap, Wash, Lotion, Bath Oil and the first Australian born Bamboo Baby Wipes with Aloe Vera, Vitamin E and of course Goats Milk to complete Australia's most wanted Goat family.

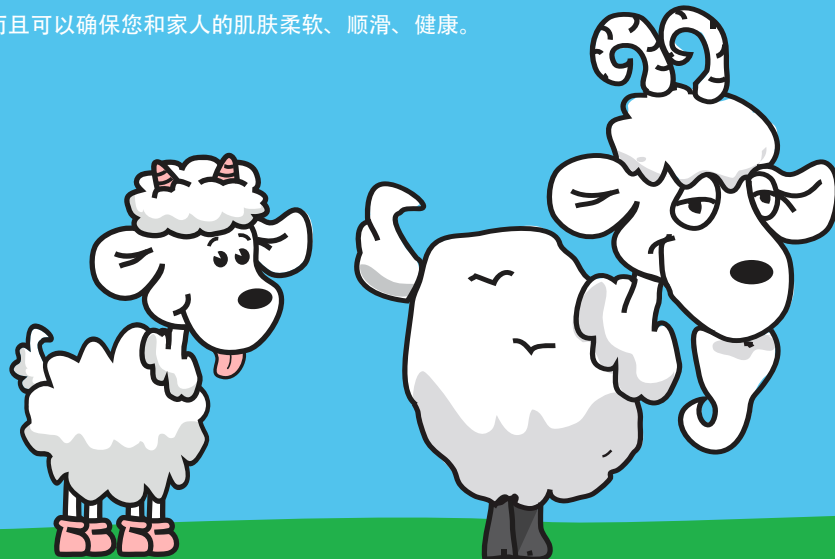

Our extended family is also the home of Olivella, an imported Italian Olive Oil skin care range, Botanical Blends "Byron" Australian made spa range and Hair Assist.

Exclusively stocked at Chemist Warehouse, our range of skin care products with natural Goats Milk will not only save you money but save you and your family's skin by keeping it soft, smooth and healthy everyday. What more can a Goat do!

### DPP药业-我们的故事

DPP药业是一家澳大利亚本土家族式经营的企业，总部设在墨尔本。我们坚持采用最高品质的澳大利亚配料研发、生产天然健康的护肤产品。物美价廉，老少皆宜。

十五年前，公司在墨尔本成立，首创产品“Hair Assist”是一种有助浓密健康秀发生长的有机草本治疗产品，在研制该产品的过程中，我们的研发团队认准了羊奶保湿和促进肌肤健康的显著效果，对羊奶作为原料情有独钟。我们的纯天然羊奶皂大获成功，广受欢迎，因此公司又研发了五种不同的芳香羊奶皂。每种还包括相对应的沐浴乳、洗发水、护发素、身体乳和护手霜。并且随后，DPP应需准备推出公司的儿童产品系列。经过团队9个月的潜心研究，有机温和羊奶皂、沐浴乳，身体乳，沐浴油还有首款澳大利亚生产的含芦荟和维生素E的竹柔宝宝湿巾产品面世了。公司旗下品牌还包括 Olivella意大利进口的橄榄油护肤系列产品，澳大利亚制造的植物精华spa系列“Byron”和Hair Assist。DPP产品在Chemist Warehouse独家售卖。我们护肤产品含有天然羊奶成分不仅物美价廉，而且可以确保您和家人的肌肤柔软、顺滑、健康。
